Upper Respiratory Tract Surgery

Wednesday, 6 July 2022, 08:00 - 17:45

Species: Large Animal
Course type: Lectures and wet lab

Description:

This workshop is intended for ECVS/ACVS diplomates, equine practitioners specialising in surgery and surgical residents. The aim of this course is to acquire and/or improve surgical skills related to laryngoplasty, laryngeal tie forward, laryngotomy (and associated surgeries) and alar fold surgery. An update of exercising upper airway endoscopy will be also presented. This course will include lectures, case discussions (for which participants are welcome to submit cases for) and then surgical wet labs.

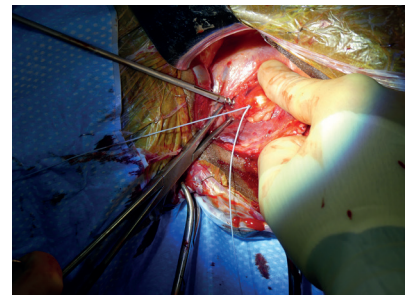

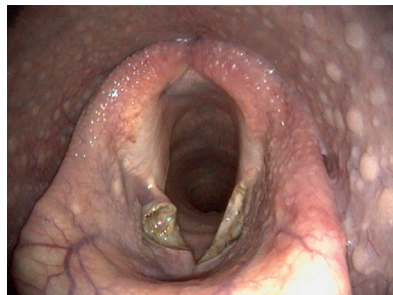

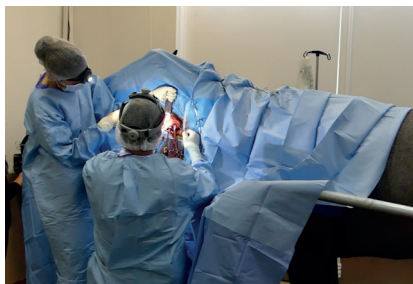

(see p. 2 for detailed schedule)

Lecturers: Dr Fabrice Rossignol, Dr.med.vet. ECVS
Dr Safia Barakzai, BVSc Dipl. ECVS MSc DESTS FRCVS
further faculty tbc

Number of participants: max. 20

Participation fee (€) until 12 May 2022:
Diplomates: € 750, Residents: € 560, non-members: € 940

from 13 May 2022:
Diplomates: € 850, Residents: € 640, non-members: € 1060
