### Upper Hindlimb Lameness Workshop

Wednesday, 6 July 2022, full day

**Species:** Large Animal

**Course type:** Lectures and practical sessions

**Description:** This course is aimed at residents in their final year or new diplomates. This is a full day course with lectures in the morning and practical session in the afternoon. The morning will consist of four lectures on the hock, stifle, hip and pelvis, and the sacroiliac region and will cover diagnosis and management of lameness in these regions. The afternoon will have four stations of practical sessions including anatomy, dissection and joint blocks; dynamic gait analysis; and two stations of practical ultrasonography on live cases.

(see p. 2 for schedule)

**Lecturers:** Dr Jessica Kidd, BA, DVM, CertES(Orth), ECVS MRCVS  
Dr Graham Munroe, BVSc PhD CertEO DESM FRCVS ECVS  
Dr Antonio Cruz, LV, MVM, MSc, PhD, ACVS/ECVS, ACVSMR, MRCVS  
further faculty tbc

**Number of participants:** min. 16, max. 24

**Participation fee (€)** until 12 May 2022:  
Diplomates: € 750, Residents: € 560, non-members: € 940

from 13 May 2022:  
Diplomates: € 850, Residents: € 640, non-members: € 1060
