

DELEGATES

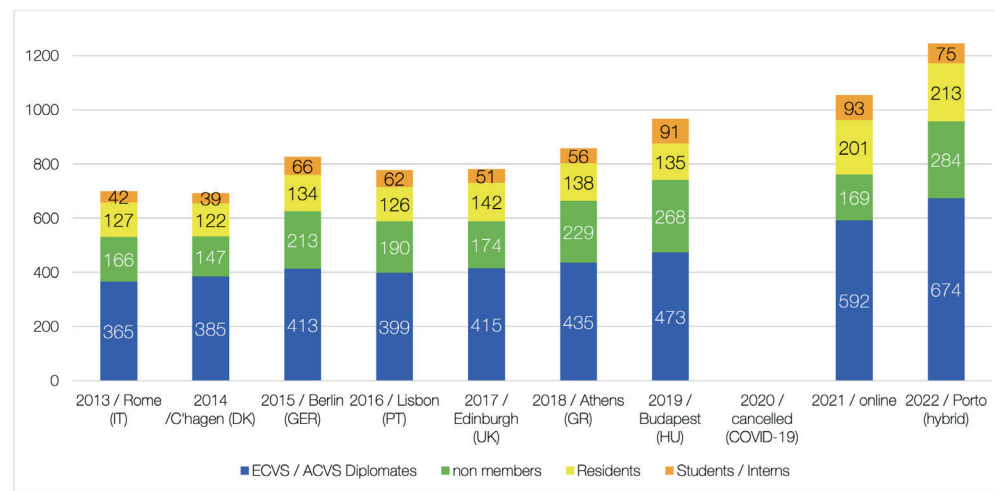

Who attends the ECVS Annual Scientific Meeting?

As the college is growing each year, so is the congress' reputation in the veterinary world, drawing a large crowd of Diplomates, Residents, students and a significant number of non-members from Europe, North America and increasingly also from Asia. Over the past years, the congress has experienced a constant increase in participant figure, reaching a record of almost 1'300 on-site and online delegates at the hybrid 2022 Annual Scientific Meeting in Porto, Portugal.

Exhibitors and Sponsors

ECVS largely depends on sponsors to enable us to offer high quality scientific programmes, to further the art and science of veterinary surgery and to promote state-of-the-art continuing education. External financial support also allows us to invite the highest quality speakers from around the world. The Annual Scientific Meeting offers a great opportunity to reach a substantial proportion of your target audience - the veterinary surgical specialists from Europe and beyond.

We have developed a wide range of sponsorship and exhibition opportunities to be able to provide every interested business with a suitable option fitted to the individual requirements and promotional targets. A **booth within the exhibition area** offers contact time and one-to-one interac-

tion with the delegates, while **sponsoring congress material** guarantees additional visibility for your business and its products. **Session sponsorship** assures high awareness and recognition among a specialist target group focused on specific topic.

To facilitate sponsorship, the ECVS has developed added-value-packages for exhibitors, with the cost dependent on the size of the exhibition space requested and the prominence of advertising exposure during the meeting.

We are keen to develop sponsorship for specific sessions at the ECVS congress, in particular any sessions that are related to your company's products or specific expertise. We are interested in offering sponsorship on a yearly basis, or, alternatively, to establish longer term relationships with you.

SESSION SPONSORSHIP

Your
name
here

Your Benefits

As a session sponsor, your company logo will be projected before and after the session. Your logo will be included in the congress programme, along with an acknowledgement of your support. The session will be displayed as a sponsored session on the congress app.

Your company will be mentioned as a sponsor on our website with a direct link to your site. The session chairperson will acknowledge your support during the introduction of the session.

Pre-Congress Courses

The pre-congress courses provide an opportunity for surgeons and surgeons-in-training to participate in hands-on practical sessions to develop and refine surgical skills. These are either full or half day sessions with specific, narrow themes, related to either small animal or equine surgery.

Various options to sponsor, support and host a pre-congress course are available. Contact us to discuss the possibilities. We are open to your ideas and needs to find the best possible solution for your business.

various packages
depending on
supported course

Opening - State-of-the-Art Lecture

The congress traditionally opens with a lecture by an internationally recognised expert with either veterinary or human surgical expertise. The opening lecture attracts all delegates, regardless of specialisation. As the primary meeting place for delegates to find their colleagues, it is one of the best-attended sessions of the congress.

3'000 €

Closing State-of-the-Art - Jörg Auer Lecture

Similar to the opening session, this lecture is well-attended and addresses a theme common to small and large animal surgery. As for the opening lecture, an internationally recognised expert is invited to speak, which attracts one of the largest audiences of the congress, with the majority of delegates attending.

3'000 €

32nd Annual Scientific Meeting
Cracow, Poland

Congress In-depth Session

The congress is usually organised with approximately 5 sessions each day of approximately 2 hours each. Occurring concurrently are 2 streams of equine / large animal and 3 streams of small animal topics.

Each session concentrates on a specific area of interest, with all the presentations in that session related to the overall theme of a particular topic selected for the congress.

2'000 € / session

Residents' Forum (2 small, 1 large animal session)

The Residents' Forum is a keystone of our programme each year, where our surgeons in training have the opportunity to present new scientific findings and clinical procedures. The residents are an essential part of the college's *raison d'être* as they are the specialists of the future.

There are 3 resident sessions:

- small animal orthopaedics
- small animal soft tissue surgery
- equine / large animal

The residents' presentations are judged by a panel of the Diplomates, with an award in each category presented at the closing lecture (Jörg Auer lecture).

Each year, the large animal resident award winner and alternately the small animal soft tissue and orthopaedics award winner have the possibility to attend the ACVS Surgery Summit, co-sponsored by ECVS and ACVS.

As part of the sponsorship of these sessions, the Resident Award funding will be attributed to the sponsor of the session and during the announcement of the winner at the final lecture.

The Resident Forum is well attended by surgeons in training, Diplomates and supervisors.

**4'000 € Resident Forum
(3 sessions) or
1500 € / session**

Reserved

Meet the Expert

The Meet the Expert sessions are very popular and often over-subscribed. The aim of these interactive sessions is to provide a forum for small group discussions of topics of interest. The topic selected is often a clinical situation in which complications are frequent or the management options are numerous.

The small group size and the relaxed lunch-time atmosphere are conducive to a lively discussion among the delegates.

Sponsors are invited to attend the session in order to promote their sponsorship and meet the delegates in a more personal environment.

1'500 € / session

Poster Session

The poster session is visible continuously during the congress, with the posters exhibited in a central area for ease of viewing. The posters present recent research findings or interesting case reports, and as a result this session is usually very well attended by the delegates.

The poster competition is judged by a number of Diplomates, and a prize is awarded for the best clinical and the best research poster in each speciality. Eight of the posters, from an average of about 60 are selected for a short oral presentation.

The sponsor of these sessions receive acknowledgement in the congress' printed programme, with another mention when the awards are for the posters are announced during the closing State-of-the-Art lecture.

2'000 €

Short Communications Session

The short communications session, for either small or large animal, are made up of 15 minute presentations related to recent research, showcasing new surgical techniques, information about surgical outcome and some basic science research related to the pathophysiology and surgical conditions.

The selection of speakers is based on a referred selection process with only the best abstracts selected for an oral presentation. The session is usually about 1.5 to 2 hours long.

1'000 € / session

Reservation & Contact

To reserve your sponsoring opportunity, send the attached registration form to info@ecvs.org or via fax to +41 (0)44 635 89 91. Orders will be handled on a first come, first served basis.

To discuss your sponsoring ideas and needs, talk to the ECVS Team at the office in Zurich: +41 (0)44 635 84 92

Floor plan

Exhibition floor plan at the end of this brochure.

^{*)} To be produced and shipped by exhibitor.

^{**)} Material to be provided by exhibitor until 31 May 2021.

^{***)} The marketing value can be allocated freely as per the sponsor's choice and based on the respective year's official price list for sponsoring activities. The sponsor is free to use this amount for congress registration, an additional ad, Saturday evening dinner tickets, additional exhibitor passes, session sponsoring or any other activity (with the exception of further pre-congress courses).

CONGRESS MATERIAL SPONSORSHIP

Your
logo
here

Your Benefits

There is ample opportunity to sponsor and brand the congress material which is distributed to each delegate.

The material is carried and consulted by all delegates throughout the entire congress, providing wide exposure and continuous visibility.

Congress App

The mobile phone app has been in use since 2014.

It provides users with the congress programme including regular updates, current information, speaker information as well as a sponsors overview and a guide through the exhibition.

Furthermore, it features opportunities for social interaction among the delegates, useful travel information and local tips.

Sponsoring opportunities include banners, branded download, picture galleries and promoted sessions.

**from 500 € depending on
feature and frequency**

Congress Bag Onsert

Each delegate receives a congress bag with the printed programme and any additional information.

There are opportunities to sponsor and brand the congress bag itself or to include your company's advertising brochure and a small gift.

**500 € / onsert
bag branding: 4'000 €***

Lanyards for Name Badges

The name badges need to be worn by all delegates to gain access to the lectures, commercial exhibition and the social events. Lanyard branding provides extremely high visibility throughout the entire congress.

4'000 €*

Advertisement in Printed Programme

The printed programme is an essential part of the congress and a constant companion for all delegates. It is referred to numerous times per day and regularly used for notes.

Sponsoring opportunities include full (1/1) and half (1/2) page ads. Contact us for additional individual logo placement options.

**1/1 page 4c: 1'500 €
1/2 page 4c: 1'000 €**

Other Ideas?
