Equine arthroscopy, tenoscopy and bursoscopy workshop

Wednesday, 5 July 2023, 09:00 - 17:00

Sponsored by Arthrex Vet Systems

Species: Large Animal

Course type: Wet lab

Objectives:

This work is aimed at final year residents and those individuals in the process of getting boarded or having obtained board certification in the last 2-3 years. We will review anatomy, basic techniques, tips and tricks, and we will resolve doubts of the attendants. By the end of the workshop, the attendants should feel comfortable accessing and exploring all of the structures covered, with minor procedures such as an annular ligament desmotomy and superior check ligament desmotomy.

The format of the workshop will be combined with lectures explaining the technique, anatomy, and some clinical decision making and followed by practice in cadavers under the supervision of experienced instructors.

Lecturers:

Andrew Crawford, BVetMed Cert ES (Orth) DipECVS MRCVS
Antonio Cruz, LV, MVM, MSc, PhD, ACVS/ECVS, ACVSMR, MRCVS
Florent David, DVM, MSc, ACVS/ECVS, ACVSMR/ECVSMR, ECVDI Assoc.

Number of participants: min. 10, max. 20

Participation fee (€) Diplomates and non-members: € 1'250,-
Residents: € 940,-
