### Tracheal, Urethral, Ureteral Stenting & Nephrostomy

Thursday, 4 July, 08:30-12:30

Sponsored by Infiniti Medical

INFINITI™

**Species and course type:** Small Animal dry lab

**Course type:** Dry lab

**Content:** Lectures & hands-on dry lab covering applications of tracheal, urethral and ureteral stenting.

**Objectives:** The goal of this section is to introduce the participants to the equipment and techniques necessary to perform these procedures. The lecture will present indications, proper patient selection and follow-up care in patients. Case examples will be used to elaborate. A hands-on lab will follow in which participants will have opportunity to familiarise themselves with the equipment and place stents in a dry-lab format.

Following completion of the course, attendees should feel confident with these procedures and have an understanding of their various applications.

**Course schedule:**

- 08:30 Registration
- 08:40 Lecture - Tracheal & urethral stenting
- 10:30 Break
- 10:40 Ureteral stenting & nephrostomy
- 11:20 Practical (dry lab)
- 12:30 Close

**Lecturer:** Dr. Ana Marques, DVM MACVSc CertSAS Dipl ECVS MRCVS  
European & RCVS Specialist in Small Animal Surgery

**Number of participants:** min. 5, max. 20

**Participation fee (€)** Diplomates and non-members € 500, ECVS Residents € 375
