ONE POSITION

PROFESSOR IN SMALL ANIMAL SURGERY
Faculté de médecine vétérinaire
Département de sciences cliniques

The Department of Clinical Sciences is currently seeking to fulfill candidates for a professor position in small animal surgery with the goal of developing the surgical service and rebuilding a residency program. Candidate of assistant, associate or full professor levels will be considered.

TASKS:
− To teach small animal surgery to undergraduate and postgraduate students (residents and interns) and participate in continuing education activities;
− Participate in clinical teaching and client service of the Centre Hospitalier Universitaire Vétérinaire (CHUV) (generally 50 % of allocated time);
− Develop independent or collaborative research activity in the area of small animal surgery and contribute to the teaching of graduate students;
− Participate in outreach activities in the area of small animal surgery (publications, conferences and others);
− Participate in the after hour, holiday and weekend emergency service;
− Contribute to the functioning of the university.

QUALIFICATIONS:
− To have a Doctorate in Veterinary Medicine (DVM) or the equivalence;
− To be a Diplomate of the American College of Veterinary Surgeons (ACVS);
− To have an advanced research degree (M.Sc. or Ph.D.) or equivalent in their area;
− Have an interest and ability in teaching, clinical service and research;
− To have a license to practice Veterinary Medicine in the Province of Quebec (Canada) issued by the Ordre des médecins vétérinaires du Québec;
− Knowledge of written and spoken French language is required. However, if the candidate does not have adequate knowledge of the French language, he/she must agree to acquire it within a short period of time;
− Anyone interested, including candidates in training, are encouraged to send their curriculum vitae.

TREATMENT:
The Université de Montréal offers competitive salary and a full line of benefits. To learn more, please visit the following internet link.
Website: [http://www.drh.umontreal.ca/paie_avantage_conge/personnel_enseignant.html](http://www.drh.umontreal.ca/paie_avantage_conge/personnel_enseignant.html)
The emergency duties are remunerated in addition to the regular salary and in accordance with the current rates established at the Veterinary Hospital

START DATE:
June 1st, 2014 or when the selected candidate becomes available.

CANDIDATURES:
Applications must be received by December 15, 2013. Applications received after the deadline will be considered if no other timely applications meet the requirements. All candidates are asked to submit a letter of candidature that will include their research interests and career objectives with their curriculum vitae, a copy of their diplomas, complete name and address (phone numbers, e-mail, postal address, fax number) and the names and complete address of 3 professionals acting as your references. All applications must be sent to:

Dre Diane Blais, directrice
Département de sciences cliniques

Employment Equity Program
The Université de Montréal upholds the principles of employment equity and welcomes applications from women, ethnic and visible minorities, aboriginals and people with disabilities.

Linguistic Policy
The Université de Montréal is a Québec university with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world’s best specialists. In accordance with the institution’s language policy, the Université de Montréal provides support for newly-recruited faculty to attain proficiency in French.

Confidentiality
The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.

Immigration Requirements
In compliance with Canadian immigration requirements, priority shall be given to Canadian citizens and permanent residents.
