

## EQUINE SURGEON WANTED

Our equine hospital is a private practice that was established in 2010, with 4 separate clinics , 2 of which has surgical facilities. Situated in and around Skara in the southern part of Sweden. Our busy team consist of 20 veterinarians, including 1 ACVS diplomate and 1 ECVS diplomate on a part time basis. We also have a staff of 30 nurses/receptionists and lab technicians , as well as a farrier , and a physiotherapist providing our patients with complete work-ups for horses of all sorts as well as 24/7 emergency coverage.

We have a yearly caseload of around 8500 horses. Main caseload are sporthorses including warmblood trotters with lameness/ poor performance problems as well as a good mix of colics , foals and traumatic injuries for the out of hours work. We have good workup facilities including an Esaote MR scanner .

We are looking for a pleasant person, able to work in a team.

The candidate must be an ECVS or ACVS diplomate or board-eligible candidate . Candidate will be expected to perform all types of surgeries, ranging from arthroscopies to laparotomies and emergency cesariens, and to participate in the work-up a variety of cases. Will be expected to take part in an out of ours back-up surgery rota.

Remuneration : according to degree and background
